

Member Expectations & Rehearsal/Concert Schedule – 2017-2018 Season *(subject to changes)*

Member Expectations

NewVoices is able to fulfill the musical desires and ambitions of its members and enhance the quality of life in the Fox Valley because members work collaboratively to achieve musical excellence. Members exhibit a strong sense of caring and a deep commitment to the music and to one another. With this in mind, it is every member's responsibility to abide by the expectations as outlined in our Handbook, which each member is given upon acceptance into the chorale. Here is a current synopsis of these expectations:

- Women will need to purchase our costume, which currently consists of a specific blue jacket, black skirt, black shell, and necklace. Approximate cost is \$140 plus alterations. Special event singers will get details upon acceptance.
- Men wear a black tuxedo either purchased or rented on their own. Men will need to further purchase a specific black shirt, tie and blue pocket silk. Approximate cost is \$50 beyond the tuxedo. Special event singers will get details upon acceptance.
- Members commit to singing for the entire performance season, which typically runs from September (or late August) through mid-May (or late April). We may consider partial season commitment under special circumstances, such as Master Works with the Fox Valley Symphony.
- Members must be a high school graduate (or equivalent) and 18 years of age or older. Members must be prepared to participate professionally and constructively in all rehearsals.
- Members support the ensemble through ticket sales and volunteer efforts.
- Members are expected to communicate, as needed, with our Artistic Director/Conductor, Assistant Conductor(s), our Council, your Section Rep and Section Leader, the newVoices office and our Board of Directors.
